

Leak Assurance Program

Affordable Protection: Only \$2.00/ Month

Full Bill Coverage: Covers 100% of your bill if usage exceeds 15,000 gallons due to a leak

Annual Eligibility: Can be used once per year with proof of repair (receipt and photo

or plumbers receipt)

Auto Enrollment: All residential customers are automatically enrolled for convenience

How it Works

If you experience a water leak on your service line or in your home that exceeds 15,000 gallons, your entire bill is covered.

With our auto-enrollment process, there is nothing more you need to do; your account is protected.

Easy process – Simply provide proof and get 100% covered

Example of high usage from one of our customers in 2025: Mr. W had a leak on his service line running to his home. This leak in one month was 708,500 gallons. The total bill was \$4,033.10 above his normal usage.
